

Oak Tree HOA Board Meeting Update – Resident Committees Forming

Thank you to everyone who attended and participated in January's Board Meeting. Based on the discussion, the HOA Board recommends forming the following resident working committees for early 2026:

- General Security
- Front Steps Platform Resident Beta Testing
- General Communications
- Landscape (including upcoming RFP)
- CCR & Bylaw Revision
- 2026 Assessment Project Management (subcommittees planned)
- In-Home Business Regulations Assessment

Homeowners interested in serving on a committee should email their name, contact information, and committee(s) of interest to oaktreehoa@oaktreeok.com by January 31, 2026. Committee leadership and meeting schedules will be determined once groups are formed.

Oak Tree HOA Board of Directors

Thad Ledford, Gene Wyckoff, Roger Beverage, Ellen Lee, and Heather Porter
