

Reminder: School Starts Thursday – Please Drive Safely

*This is a friendly reminder that school will be back in session starting **Thursday, August 14, 2025**. Please be mindful of school buses and **always yield** when they are picking up or dropping off children.*

*For the safety of our students, **Security Patrol will be following the buses** during routes to assist in ensuring children can get on and off safely.*

*Failure to obey traffic safety rules, including stopping for school buses with extended stop signs, will result in a **citation**.*

Let's work together to keep our community's children safe this school year!

*Thank you for your continued support
Oak Tree Home Owners Association*
